

Competition Chair— Pat Roney**CORVETTE COMPETITION****COMPETITION REPORT April 2010****MUSCLE CAR MANIA May 2nd**

Spring is here and it is time to get ready for Muscle Car Mania which is only a month away on May 2nd. We need workers for this event. No experience is needed. We will train. Please email me, proney42@verizon.net if you can help. I would also like to hear from all that are planning on attending to watch, drag race, or participate in the car show. If you are new to drag racing or showing your car, we can help you get started.

INSTRUCTORS NEEDED FOR THE NORTHERN VIRGINIA CORVETTE CLUB TEEN DRIVING SCHOOL.

I received the following message from Cassidy Nolen, the Chief Instructor of the NVCC.

We currently have about 8 instructors scheduled for this event. I could certainly use the extra ones and would be happy to bring some of your members into the 'fold' with our training day.

If you would forward the message on to your folks, that would be great. I have plenty of room on the 18th, as it is such short notice and not a full 'track day' but certainly we have some activities planned for newer instructors.

This would include a training session on April 18th and then helping instruct the teens on May 1st. I know this will be tough since we are putting on the Muscle Car Mania on May 2nd, but I feel we need to work with Cassidy in the interest of both clubs. Hopefully, next year we can coordinate better with our dates. Please let me know if you would like to get involved with this event.

NATIONAL CORVETTE MUSEUM HIGH PERFORMANCE DRIVING EVENT AT VIRGINIA INTERNATIONAL RACEWAY (NCM HPDE @ VIR)

The Corvette Club of America had a record group register for the National Corvette Museum High Performance Driving Event at Virginia International Raceway. We have 11 members signed up for this event, and at least one on the waiting list, out of about 120 total participants. Considering that this event is mainly for the eastern and central United States, but also includes participants from all over the country, CCA should be the best represented Corvette Club at this event. The event chairman was impressed enough to request to meet with our group at the event. Please feel free to contact me if you have any questions or would just like to hear more about what we do. For all of those interested you can read more by clicking on the links at the bottom of this link: <http://www.corvettemuseum.com/registration/HPDE/virinfo.shtml>

Corvette Corral for an American Le Mans Series races (ALMS).

We have chosen the Mid Ohio ALMS on Aug. 6 – 8 for the Corvette Corral that we will attend. IMSA Corvette Corral weekend passes are \$110. Please let me know if you would like to attend as

soon as possible. Several of us have signed up and booked our hotel rooms at the Econo Lodge (OH444), 1017 Koogle Rd., Mansfield, OH 44903, phone (419) 589-3333. These hotels fill up fast, as a matter of fact, all of the closest hotels half way down the list were booked as soon as registration opened. Please don't wait if you are interested in this event.

It is time to start thinking seriously about this year and with that thought these are some of the events that I would like to see us participate in for 2010. Please let me know what you think:
