Please reply back to me ASAP that you will be going. I have to give a head count to hold the room which will be the porch room with a view of Sugar Loaf Mountain. Once I give this count I have to spot 1/3 payment down to hold the space. I told them we will probably have about 30 or more. So let me know now. After brunch we need to gather our cars around the front of the Inn for a picture for the owner who is a Vette lover too.
