

Corvette Club of America

Corvettes at Carlisle Aug. 28-30 Event Information

About the experience!

This year the CCA Board decided to try to make the Carlisle Event a real club experience for our members. To make this a special experience for all club members we have reserved two vendor spaces on the fairground not far from the Fun Field Car Shows. This will serve as a central area to get some rest, meet with other club members and even stash a few items so you don't have to carry them around all day at the event.

We are using Gus Bartoli's two vendor spaces as our meeting place. They are numbers ID 15 & 16. They are just inside Gate #2 and to the left. (see attached map)
We're planning on having two canopy tents set up, the club banner and a big cooler with sodas and water, so make sure that you bring your chairs so you can rest your bones and get something cool to drink at the club hangout.

Travel in Style

Jean Wade will be leading a caravan on Friday August 28th. The Caravan will meet at the Urbana car pool parking lot just off 270 Rt. 80 to Urbana. Time 7 am.

We will travel up 270 to #15 and we will stop in Thurmont for buffet breakfast at Mountain Gate. Then off to Carlisle.

See attached map for location of the CCA rest area!!!
