Corvette'N America becomes Bloomington Gold Tours

Hello Corvette Enthusiast and Corvette Clubs,

We have exciting news! We have a new name. Corvette'N America is proud to announce we are now Bloomington Gold Tours. The Bloomington Gold Corvette Show is held annually in Illinois and is the longest running Corvette show in the country; which began as a small gathering of Corvette enthusiasts 35 years ago has grown into America's premier event for the Corvette hobby. By merging with Bloomington Gold and changing our name to Bloomington Gold Tours, we can attract the attention of thousands of Corvette enthusiasts and related Corvette businesses who recognize the rich history of Bloomington Gold. Although our name has changed, the ownership and quality of past Corvette'N America events has not. Bloomington Gold Tours will continue to offer first class tours with impeccable attention to details with Dwayne & Cindy Bublitz handling all the planning and coordinating of the events.

We are pleased to announce three outstanding tours for 2008:

- Registration is now available for our 3-day event with the dates being June 5-7. This tour has a maximum of 250 Corvettes with the featured tour being a 100-mile cruise down historic Route 66, the longest stretch left in America. The event will begin on Thursday in Laughlin, Nevada at our host hotel, the Tropicana Express with event check-in and welcome reception. For those wishing to stay on the Colorado River, the Golden Nugget is also offering special rates for Bloomington Gold Tours which is located $\frac{1}{4}$ mile from the Tropicana Express. Friday & Saturday nights will be in Flagstaff. For more information on the 3-day event, go to http://www.bloomingtongoldtours.com/road_tour/default.htm
- Registration is now available for our 6-day summer tour with the dates being July 20-26. This tour has a maximum of 15 Corvettes. Explore the beauty of Northern Arizona and Southwest Colorado. More information is available at http://www.bloomingtongoldtours.com/road_trip/default.htm
- NEW! 5-Day National Park Tour September 23-28. This tour has a maximum of 15 Corvettes. This all new fall tour will cruise through Northern Arizona and Southern Utah visiting four national parks including the rarely seen North Rim of the Grand Canyon, Zion, Bryce and Capitol Reef. 4th Annual Run and Fun Show TOYS FOR TOTS

This event is to benefit the U.S. Marine Corps Reserve Toys For Tots Campaign, which collects and distributes toys to needy children. Last year we collected dozens of toys, plus a large monetary donation from CCA as well as other private donations.

This CCA event will be held on **Saturday November 10, 2007**, from 12 Noon to 3:00 p.m., at the **Hooters of Rockville**, 1471 Rockville Pike, Rockville, MD, 20852. There will be designated parking for Corvettes only.

All Corvettes are welcome to enter the show. Winners will be determined by the Hooters Girls, who will be our judges. First, Second, and Third prizes will be awarded.

To participate, all that is necessary is donating a **NEW, UNWRAPPED** toy, valued at \$10 or more. Toys should be for both boys and girls, from Toddler to 17 years of age. Monetary donations are also accepted. Please make checks or money orders payable to "Toys For Tots Foundation". The public is more than welcome to attend.

Clothing, food, or toy weapons, such as toy guns or knives, cannot be accepted.

This event was very successful last year, so let's try to make it even better this year. Many children would not have received anything for Christmas, were it not for the efforts of CCA and the U.S. Marine Corps Reserve.

Hooters has a reasonably priced menu for anyone who is interested in purchasing lunch.

I will need to give a final count of those planning to have lunch so the Manager can reserve enough tables for us. Also, let me know if you are driving your Corvette, so he can block off enough parking spaces on the lot.

Please RSVP no later than Thursday, November 8, 2007.

Editor's Note:

This is our next event. Let's make sure we have a full parking lot again this year!
