The Prez Says

Welcome to Fall, Let's Look Forward (instead of falling back)!

It is now Fall and we have some great fun-filled events planned before we close-out 2007. Please mark your calendar for the annual Corvette weekend getaway in Ocean City starting Friday, 10/12, and continuing through to Sunday, 10/14. The Freestate Corvette Club hosts many activities during this weekend, and as a NCCC member you are welcome to participate in these activities. The on-line registration system has been closed, but you may still register on-site on 10/12 and 10/13. For more information on this visit their web site at <http://www.freestatecorvette.com/>

CCA will have two club events at Ocean City on Friday, 10/12, for our members and their families. For those who arrive early, there will be a group having lunch at the "Bull on the Beach" Restaurant, located at 94th St. & Coastal Hwy, starting at 12 Noon. Don Haller is chairing this event. Just drop by at Noon and join the group for lunch. The phone number for the restaurant is 410-524-2455 and their web site is www.bullonthebeachoc.com If you need to reach Don's his cell number is 443-939-1852.

The other event is a CCA club get-together at Seacrets on the Bay starting at **4:30 PM on Friday, 10/12**. Seacrets is located Bayside on 49th Street in Ocean City and we will all meet inside. If you arrive later, then please stop by anyway as there most likely will still be people there. The Seacrets web site is <http://www.Seacrets.com> We suggest that you wear your CCA Club Shirt or a CCA Tee Shirt so that we can all find each other.

Another can't miss event is the Corvette boardwalk parade which will be held on Saturday. I suggest that you either drive your Corvette in the parade and be a part of one of the most fun Corvette parades there is or be a spectator and just watch all of the nice-looking Corvettes drive by. There will be a group of CCA club members who will converge together to watch the parade. We determine where we will meet for this during the two Friday meetings mentioned above, so please join-in on the fun with us.

Two weeks later, on October 27th is the annual Crab Feast held on Kent Island and hosted by Art and Linda Goldberg. Please check the flyer in this newsletter. This is a "can't miss" event as everyone has fun going to this every year. If the weather permits, Art and Linda will invite everyone to their shore-front home on Kent Island after the feast for dessert and some after-dinner socializing. It is a nice event to relax and unwind amongst other CCA friendly members. I hope to see you there!

We are also looking for people to volunteer to fill the board and some chair positions for next year, 2008. Most of the positions will be open and we need people to step forward and volunteer. It is rewarding and fun to help run the club, and you get to know many of the members much better from being on the board. Most of the positions only require a few hours of your time each month. The club could also benefit from your new ideas, so please consider volunteering. One very important position that must get filled for next year is the Newsletter editor. Please let Jean or me know if you are interested in this or any of the 2008 board or chair positions.

Please have fun, enjoy yourself, and drive safely!!

Larry has a 62 (honduras maroon w/ black interior, 300 hp/4 sp, convertible), the 72 (Bryer Blue w/ black interior, small block/4 sp, convertible) which went into a full restoration at Tony's, and the latest is a 91 (Quasar Blue Metallic/saddle interior, small block/ 4 sp, convertible). New Event

The Annual Rockville Antique Car show is coming up on October 20 and Steve Keppler (1971 350 Coupe) has offered to coordinate the members planning on attending. All though all Corvettes are special, vintage Vettes (25 yrs old +) only can participate in the show. If you are planning on attending, please let Steve know via e-mail at skep@mindspring.com so he can have an idea of how large an area to set up for a Corvette line up. If just attending we can all get together and hang out.

**Make it a point to attend at least more than half of your clubs events.
Support your club in 2007. We need member's support to make our efforts pay off.**

Thanks for being a CCA member. You are the greatest.
