CCA Windshield Banners

Show your club "colors". Contact Jean Wade, (301)253-6074 only \$12 each

To apply the banner you wet the area of the windshield with Windex, Separate the banner from the backing paper and spread the banner out. Move it into position using more Windex if needed. Then once in place use a squeegee to run over the banner and seal it to the windshield by forcing out the air bubbles. Finish by removing the excess Windex.

Corvettes Wanted --- for display at Sport Chevrolet in the Performance Showroom. If you can be without your Classic Corvette for just a couple weeks to a month let me know. Sport Chevrolet has been displaying member's cars since November and their customers love seeing the older cars on display alongside the new ones too! We are looking for good condition classic cars but this does not mean that a good clean C4 or C5 could not be displayed if it had some special appeal. Your car will be watched closely and is guaranteed not to be handled by anyone. Please contact Don Haller at dhphotoz@comcast.net if you will display your car.
