Additional BGP ticket information from the NCCC:

Your car corral package includes:

One reserved parking space in the BGP designated Car Corral area (Lot C) on Friday, Saturday and Sunday (Lot C is located next to the track and adjacent to the ALMS Paddock, which will be on Lot B.

One general admission ticket for Friday and one reserved grandstand seat in an exclusive grandstand reserved only for Corvette Corral participants at Turn 10.

One Pit and Paddock Pass

As long as we have 20 cars there, we are eligible for parade laps.

Ticket prices will be:

CCP1: Friday/Saturday/Sunday with three days of corral parking--\$250

CCP1a: Friday/Saturday/Sunday without parking--\$200

CCP2: Friday/Saturday with two days of corral parking--\$150

CCP2a: Friday/Saturday without parking--\$110

So, if you have two passengers and one corvette, you buy one ticket with parking and one without for the number of days you want to attend.

Each ticket purchaser will get one laminated ticket. If you purchased parking, your laminate will say VEHICLE on it to get you into parking. That same ticket gets you into the reserved grandstands, the pits, everything. The ticket mgr and I had a good laugh--he said that this really cool laminated ticket will fit into your lanyard. I started laughing and told him I think we all had one--or a hundred of them, lol!

CCA Windshield Banners

Show your club "colors". Contact Jean Wade, (301)253-6074 only \$12 each

To apply the banner you wet the area of the windshield with Windex, Separate the banner from the backing paper and spread the banner out. Move it into position using more Windex if needed. Then once in place use a squeegee to run over the banner and seal it to the windshield by forcing out the air bubbles. Finish by removing the excess Windex.

Corvettes Wanted --- for display at Sport Chevrolet in the Performance Showroom. If you can be without your Classic Corvette for just a couple weeks to a month let me know. Sport Chevrolet has been displaying member's cars since November and their customers love seeing the older cars on display alongside the new ones too! We are looking for good condition classic cars but this does not mean that a good clean C4 or C5 could not be displayed if it had some special appeal. Your car will be watched closely and is guaranteed not to be handled by anyone. Please contact Don Haller at dhphotoz@comcast.net if you will display your car.

Good Carma Garage

This modern storage facility offers the best environmental controls to store and preserve your vehicle under optimal conditions.

- The modern facility features a 24/7 state of the art security system. A fire suppression system adds peace of mind to protect your entire collection.
- Heating and cooling systems maintain the ambient temperature of this 5,000 square foot concrete building. Humidity conditions are monitored and adjusted to compensate for seasonal changes in the surrounding air.
- The epoxy flooring system, painted walls and ceilings protect the vehicles from potentially caustic concrete dust and help us maintain clean surfaces to safeguard for your valuable automobiles. Harmful UV rays are never a concern once a vehicle is stored inside the Good Carma Garage.
